## for Catholic Diocese of Cleveland School Employees

---

The *David & Linda Kaltenbach Family Fund* was established during the 2018-19 academic year to support school employees in the Catholic Diocese of Cleveland. Due to continued need within the school community of the Diocese, this funding has been renewed by the donor and supplemented by the Catholic Education Endowment Trust (CEET) for a sixth year in 2023-2024.

This fund is a tuition assistance opportunity available to **full-time, tuition-paying** Catholic Diocese of Cleveland school employees whose children are K-12 students at a school within the Diocese (parish, part-time, and diocesan employees in non-school buildings are not eligible). Applications must be completed by a parent or guardian who is a full-time employee (30+ hours/week and eligible for diocesan health benefits) as confirmed by their employer. Awards will be granted per student, so families with multiple children may be eligible for each child listed on this application. Please list any additional children on a separate page, attached to this application. Please complete **one application per family**.

This fund is independent from other financial aid opportunities. Applicants are encouraged to apply for tuition support through their schools, parishes, and the diocese where applicable. Awards granted from the *Catholic Diocese of Cleveland School Employee Fund* will have no bearing on eligibility for other financial aid opportunities, though priority consideration may be given for families owing higher percentages of tuition. The OCE holds the right to use secondary factors, such as years of service, to make award determinations if necessary.

The deadline for submitting this application is **April 1, 2023**. No applications will be accepted after this deadline. Please return this application electronically (preferred) to [sef@dioceseofcleveland.org](mailto:sef@dioceseofcleveland.org), or by mail to:
